Carolina Academic Press, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This all-in-one volume takes the reader from the law school application process, through the bar exam and the graduate's first job. The book begins with ideas on selecting which law schools to apply to, how to improve your chances of gaining admission, and how to decide which law school to attend. The second section of the book takes the reader through each of the three years of law school. It begins by discussing how to excel in the first year of law school, how to write concise and persuasive responses to essay questions, and how to read multiple choice questions quickly and accurately. This section also offers thoughts about how to get the most out of the final two years of law school. The third section discusses how to succeed on the bar exam and the graduate's options in the practice of law.
