Excerpt from Fourth Annual Message of Peter Reinberg, President, Board of Forest Preserve Commissioners of the Forest Preserve District of Cook County, State of Illinois: January 5, 1920 In this connection, permit me to emphasize one suggestion that impresses me as of utmost import. As we were pioneers in this project of belting a great city with an extensive outer park system, so our creation of a managerial system for that project had to be evolved by actual practice and trial. As we have aimed at desirability and economy in our purchase of land, 501 am sure this Board will continue to seek the development of the most economical and most efficient system in the management of this splendid public property. As a most promising force toward this latter end, I believe that we should install a budget system. Adoption of such a method will mean increased effectiveness in intelligent planning. It will establish a uniform system of bookkeeping and permit accurate inquiry into the necessary expenses of every agency of the District. It will eliminate any possible waste, extravagance, or duplication of expense. It will centralize responsibility, and lead to the most desirable consolidation of those agencies actually required for efficient control and management.
