

## Endocrine Pathophysiology

Filesize: 6.37 MB

### ***Reviews***

*Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.*

## ENDOCRINE PATHOPHYSIOLOGY

Lippincott Williams and Wilkins, United States, 2013. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book. Endocrine Pathophysiology offers a comprehensive introduction to diseases of the endocrine system. Rather than providing an overwhelming amount of content on one subject, this book serves as a bridge between basic endocrine physiology and endocrine disorders. Included in the text are case studies covering a variety of endocrine disorders in both inpatient and outpatient settings. With the changes in many medical school curriculums to a clinically-based curriculum, this book provides a cutting-edge approach to endocrine pathophysiology.
