Before John Higheagle came into her life, sixteen year old Trisha Braedon thought she had it all under control: school, her college scholarship, and her parent s divorce. But the gentle, charming newcomer, with his environmental causes and crusading spirit, isn t like anyone Trisha had ever known. Their instant attraction to each other draws Trisha into Jon s world of passionate involvement in environmental causes. But her participation puts her much needed scholarship at risk and creates even more conflict in her already troubled family life. Feeling torn and divided on every front, Trisha finds her loyalty questioned everywhere she goes. Finally, the unresolved issues are forced into the open and Trisha must deal with the truth about her feelings, her family and her relationship with Jon. Enjoy a good romance with the emphasis on romance? You ll love the story of Trisha and Jon.
