When Reece Johnston was a boy, a fire destroyed his home, killing his mother and brothers while leaving him scarred for life. It also kindled something dark inside him: an irresistible attraction to flames in all their terrifying, tantalizing power. But after two failed arson attempts--and two trips to the mental ward--he was finally able to put down the matches and pick up the pieces. With a career as a bestselling crime writer going strong, Reece is working to fix his broken marriage to Lisa and be there for their preteen daughter, Anna. He s not just dealing with his own demons; there s a world of deadly hurt bearing down on him in the form of the jealous rival he s bested in literature and love, who s determined to see Reece crash.and burn. But a guy like Reece knows how to take the heat. And thanks to his lifelong friendship with fire, he also knows how to bring it.
