Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

VERY SHORT STORIES

Pearson Education Limited. Hardback. Book Condition: new. BRAND NEW, Very Short Stories, Mike Royston, A New Windmill Book of Very Short Stories contains a collection of very short stories from a range of genres chosen to interest and appeal to students at Key Stage 3. Some of the stories are written by well-known authors, such as Paul Jennings, Jan Mark, Susan Price and Ray Bradbury. Others are by new authors. Each of them can be read in less than 10 minutes and offers an example of a well-structured and complete text. The stories have been arranged into pairs so that students can compare writing on similar themes or in the same genre. The activities at the end of the book are based on identified sentence and text level objectives of the Framework for Teaching English. Speaking and listening objectives are also covered. The stories have been chosen to enable students to read for meaning, understand the author's craft and apply what they have learnt to their own writing. They are also accessible stories that will arrest the attention and engage the imagination of all students across Key Stage 3.
